

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT TACOMA

CHARLES EDWARD FOLLIS,

Plaintiff,

v.

BAKER,

Defendant.

CASE NO. C17-5644RBL

ORDER

THIS MATTER is before the Court on Plaintiff Follis's "Appeal of the Decision and Review" [Dkt. #21] The Magistrate Judge issued a Report and Recommendation [Dkt. #19] regarding the dismissal of some of Follis's claims. This Court has not yet adopted that R &R, and Follis has sought and obtained additional time to object to it [Dkt. #s 20 & 22]. Indeed, that time has now expired and Follis has not yet filed an objection.

But there is nothing to "appeal," yet, and certainly not to this Court. The Motion is DENIED. Follis should file any objection to the R &R immediately.

IT IS SO ORDERED.

Dated this 13<sup>th</sup> day of February, 2018.
